

THANK YOU CARD

With Sincere Gratitude to

Dr. Jai Sharma K.

Faculty – Computer Networks

Dear Sir,

We would like to express our sincere gratitude to you for being such a wonderful faculty member and for guiding us throughout the **Computer Networks** course.

Your dedication, patience, and effort in teaching every concept clearly have helped us develop a better understanding of computer networks. Topics that initially seemed difficult became much easier to learn because of your simple explanations, practical examples, and continuous guidance.

Throughout the course, you encouraged us to participate actively, ask questions, clear our doubts, and develop a deeper interest in the subject. Your way of teaching helped us understand not only the theoretical concepts but also their practical importance in the real world.

We truly appreciate the time and effort you have taken to make every class informative and engaging. Your guidance has helped us improve our technical knowledge, problem-solving skills, and confidence in approaching networking-related concepts.

The knowledge and experience we gained from this course will certainly be useful in our future academic and professional journey. We are grateful for your constant support, encouragement, and motivation throughout the semester.

Thank you, **Dr. Jai Sharma K.**, for sharing your knowledge with us and for making the **Computer Networks** course a valuable and memorable learning experience.

With Respect and Gratitude,

Thank you for being an inspiring teacher and a great mentor.
